About suty million sopies of THE Son have

.10 18 .... 5,06 enough to reach from Printing House square .....10,33......5,19 to the top of Mount Coperations in the moon.
.....10,45.....5,28 then back to Printing House square and then ... .10.55 ..... 5,37 three fourths of the way back to the moon

.....11,32..... 6,03 would girdle the globe twen'y-seven or twenty-eight times.

If every buyer of a copy of Tan Son during the past year has spent only one hour over it, and if his wife or his grandfather has spent another hour, this newspaper in 1883 has afforded the human race thirteen thousand years of steady reading, night and day.

It is only by little calculations like these that you can form any idea of the circula tion of the most popular of American news papers; or of its influence on the opinions and actions of American men and women. THE EUN is, and will continue to be,a news-

paper which te is the truth without fear of consequences, which gets at the facts no matter how much the process costs, which presents the news of all the world without it is the most valuable chronicle of political for the cause of honest government, and which therefore believes that the Republican party must go, and must go in this com-ing year of our Lord, 1884.

If you know The Sun. you like it already, transat and you will read it with accustomed dill-cilities
